The Premises:

One of the usual apartments of Annabellas at the far end of the shopping area. Lots of cheap easy parking near to the apartment. Discrete location and the door was opened quickly when buzzed. Lovely premises, clean and tidy; bright and airy with good bathroom facilities. The front door was opened by one of the other ladies, I was shown to the room offered a drink and told Hayley would be in shortly.

The Lady:

Her description on the website is accurate although I'd have thought she was smaller than a 10. She has a very pretty face, gorgeous figure with the most gravity defying breasts

The Story:

Hayley came into the room shortly after me with a big smile on her face, apologised for being a few minutes late and greeted me with a lovely kiss. Paperwork sorted and onto the main event. We started off with some French kissing with plenty of mutual touching. Within a few minutes the clothes were coming off. We were both naked and Hayley did a lovely thing of playing with my rock hard cock and then placing it between us and then hugging me tightly whilst kissing all the time. I dropped to my knees to give those lovely breasts some attention, then we manoeuvred to the bed where Hayley laid down for me to give her pussy some attention, she tasted delicious and made all the right noises. After bringing her to climax, hope it wasn't faked, it was my turn.

I laid on the bed and Hayley got on top of me and offered me those wonderful breasts again before working her way down, she gave my balls and shaft plenty of licking before taking me in her mouth, she has a pieced tounge which she uses to great affect, so much so I had to stop her before too long as I didn't want to blow my load early.

I was then faced with a dilemma, finish off in her mouth or shag her. The sex won; on with a condom and then some vigorous cowgirl, after a few minutes she changed to doggy, which she said was her favourite. Her pussy was so tight and the way she pushed back whilst making some great noises I couldn't hold on any longer and pumped her full. There was no rush to pull out and she twisted her head around to kiss me whilst I founded her breasts.

A quick clean up and we lay down together entwined like a couple of lovers. There was no clock watching and I'll definitely be back to see Hayley again to try out her other services. Xx
