The Lady:

Really pretty forty-something platinum blonde with outstanding large natural boobs and the most amazing legs. Nice nails, make-up, and a hint of perfume proves that the best mature girls are miles better than the usual run-of-the-mill escorts. In short then, absolutely gorgeous. I particularly like that she has a good selection of high quality stockings and hold-ups, and a great range of my favourite high platform stilettos. My ideal escort really ! The photos on her aw profile seem to be regularly updated and are accurate, and I've always found her really accommodating whenever I've wanted to choose a particular stockings and heels combination.

The Story:

My annual visit south for a works conference has been brightened considerably the past four years by knowing that I may get the chance to visit Rachel. After a long day, it's a further 75 minute drive from the conference location, and I suppose that's a recommendation in itself really. Definitely the best escort experience I've had.

I was met at the door by Rachel in a nice short red dress, and as requested she was wearing glossy nude stockings and sky-high patent nude platform stilettos. Following her into the room was a delight in itself ! A quick chat, then I was off for a shower. As Rachel guided me through I couldn't help but get close, and enjoyed my first play with those lovely big boobs and she rubbed me through my trousers. I had to tear myself away for a shower or it would have been all over too soon !

Back in the room, I stood behind Rachel and undressed her as she faced the bedroom mirror, slowly taking off the dress, then the bra, whilst she reached around and gently played with my cock. I asked her to then stand leaning over the bed, and from a kneeling position behind her enjoyed caressing her. Fantastic! Having delayed it for as long as I could, it was onto the bed beside her where she first of all took me in her mouth, before I had to pause and then we the condom went on and were off and running. Knickers to the side, she lay on her left hand side whilst I knelt over her and entered her from behind, getting the maximum view of those great legs and heels as I tried

hard to to end too soon. Not very long at all after that though, I whipped off the condom and finished over the heels and stockings, as is my wee thing. Brilliant.

A quick shower, chat, and away with a renewed spring in my step. Brilliant !
