The Premises:

Well known Bury parlour, though my first vist. Not quite as plush as the website suggests. As room charge is modest and the lady gets most of the fee I'm very happy with this.

The Lady:

Slim, pretty dark haired North East girl - mid thirties. Small boobs and lovely arse. Very fiendly manner. Soon put me at ease.

The Story:

Mckenzie looked gorgeous in her basque and stockings. I was still towelling off after the shower when she entered the room. She was going to slip out of the basque but I asked her to keep it on while we had a kiss and mutual fondle in front of the mirror.

We then moved to the bed for some more kissing and stroking until I asked her to slip the basque off. I then enjoyed some RO on the bed before asking her to slide down to the end of the bed so I could fully explore her pussy with my tongue. I then asked if she minded if i slipped a finger in. She was happy to oblige so i climbed on the bed alongside her and gently fingered her whilst she sucked my cock.

Mckenzie then asked if i liked my balls sucking. Well who doesn't ? She slid under me and gently licked and sucked. Her pussy was perfectly placed so i gave her some more oral at the same time and then she switched from my balls to my cock.

By now I was ready for the main event so asked her to slip the hat on. We started with a nice slow cowgirl so I could admire her pretty face and perky tits. Then switched to doggie. I like to finish with a nice oily wank which Mckenzie delivered with aplomb.

All thru this there was plenty of kissing, often initiated by Mckenzie, and eye contact. All in all a great GFE experience. I'll be seeing you again soon Mckenzie.
