The Story:

A regular at ego now and have seen most the girls and opted for Angel for a 30min body to body delux.

What a pretty young lady and great firm body and stunning pert boobs.

Angel made me feel at ease straight away with engaging conversation and a pretty smile; this then lead on to a very stimulating and sensual massage with Angel ensuring I felt her body pressed firmly on mine.

Angel knows how and when to stimulate all the right parts.

On my next visit I am sure I will go for the hour so I can massage her lovely long legs; well all of her to be honest!

Well worth the visit.
