The Premises:

Not the nicest of routes was 2 main roads but a little dark and shady.

On arrival at the Hotel, you have ask reception where the room is, but the two fellas were reasonable discreet pointing to the door saying, "Second floor"

The Lady:

Inna is slim with small boobs. Unfortunately her hair was up as if she couldn't be bothered.

The Story:

Having found the room I knocked, just then Inna cam out of another door, smiled said hello and looked like I should know that she is the one. She went into the small room with a single bed where there was another girl tidying and looking furtive. There was little conversation as she got undressed and I followed.

She started and said "There will be no blow job, I've hurt my mouth tooth" - hmmm.

We started and she said, "Not too far in, I'm tight". She then kept her hand around my shaft so that I couldn't get in there much at all - hmmm.

I asked here to turn round, but she wouldn't saying, "I don't like" - hmmm.

I went to give her a kiss on the cheek and she pulled away.

she pulled it out twice to check, which was off putting.

While I was on the final strokes she pulled it out before I'd finished, when I asked her to use here hand "No" - hmmm.

I was indignantly passed a wet wipe whilst she got dressed.

All together underwhelming, worst lady so far.
