The Premises:

Really nice flat located close to Lancaster Gate Underground Station. Big Bed, several mirrors, toys, lighting, music, great shower and bath. Just a really nice place.

The Lady:

Thai, 5' tall, toned body, no flab, pretty, small breasts, nice ass, tight cunt.

The Story:

This girl can suck a cock! Awesome! Not much of a kisser even though her profile states KWT. Very sensitive nipples so no touch or suck there. Delicious cunt but no anal (not listed on her profile). Came twice with oral and did I mention she likes CIM. Great DT with eye contact. I have had better TWGs and I have had worse TWGs but all in all well worth the money paid for the hour and a half. Emma is a sweet and friendly girl, treat her well fellow mongers.
