The Premises:

Usual place behind the high street. Entrance is discreet off a car park. Room for this visit was small but perfectly fine. Good shower in the room.

The Lady:

I am usually a brunette man and so wouldn't normally pick a blonde lady like Poppy. However on my previous visit to see Jess, I saw Poppy in the hallway and was taken by how attractive she was so decided to make some time to see her. It took some time but I finally got round to it. Boy am I glad I did. Poppy is really incredibly beautiful. Her hair was shorter than her photos (but they are otherwise accurate), it was a short bob length, really suited her, gave her a very elfin look. Poppy is quite short and slender but with large breasts which look amazing. She has some tasteful tattoos and her toes were very prettily painted.

The Story:

Met at the door by the receptionist who showed me up to the room and offered me the use of the shower. As it was a warm day I got straight in the shower to freshen up. Poppy came into the room as I was showering. She said hello and removed her tunic. As I left the shower I was met by the incredible sight of Poppy in her red underwear. I was immediately struck by how pretty she was. She invited me to lay face down on the table and started with a great massage that alternated between strong pressure, long sensuous strokes and teasing tickles. When she asked me to turn over, I felt incredibly lucky to have such a beautiful lady taking such good care of me.

I have two problems; how to find excuses to come back to the area so I can fit in a visit, and deciding which of Ego's wonderful ladies to see, they have all been tremendous.
