The Story:

When she came in the room, I thought wow! she is as photos.

She started with kissing, but it's kissing without the DFK, which for me is a turn on.

I've seen plenty of escorts, her blowjob is very good but had better. fingers not allowed.

In 69 her pussy was really fantastic, this was the best part, clean tasting and responsive, did some mish and finished in spoons, sex was great was great cumming in her.

She has fantastic breasts, good attitude, I asked and CIM was available but not snowball which is what I fancied on the day.

Overall a little vanilla with a stunning girl that is not too skinny, a real woman.

Would I go back? Yes because she is nice, friendly and give good service, but misses the X factor of say Karolina
