The Story:

I invited Anna to my hotel one evening as I was captivated by her pictures and wanted a submissive girl to play with. I emailed with her about what I was looking for and she was very receptive to my ideas and we had some great comms back and forth finalising details and setting out her limits and boundaries.

In person this lady was lovely. This was my first time with a purely submissive escort and I feel as though she helped me to realise my dominant side. She was perfect at obeying my commands, and she takes punishment to that beautiful bottom of hers extremely well, after I had warmed her up of course. I wanted submissive services as well as the girlfriend experience and Anna delighted and thoroughly indulged me in both. The explicit details can be left to your own imagination and I am sure you can imagine what we got up to.

Anna is sweet, submissive, sensual and I would love to see her again.
