The Story:

Only my second visit to Sania, please see previous field report from 2014. Would have returned much sooner but Sania had left this establishment soon after our first visit.

One of the best ever, lovely soft, full deep french kissing, amazing OWO. Sania really seemed to enjoy our time together too, this for me is really important, she was very chatty and relaxed, I felt like I had known her for years. There was a definite connection there, this makes the whole experience so much better than it just being about sex. Finished with me on top and lay there cuddling and kissing for a while. Perfect!

I will return again very soon!
