### The Premises:

Easy to find accommodation just off a main road between Halifax & Bradford, on a quiet open road with ample parking, although Monica recommended me to park on her drive. The accommodation is clean and well presented, with pristine toilet and shower facilities.

### The Lady:

Monica is about 5'6" but looked taller in her heels which she wore throughout our meeting. Her age on Adultwork is 44 but she looks in her late 30s.

Her photos are good and she matches them with her sexy all over tanned body and ample cleavage. She is a very attractive lady both dressed and undressed.

### The Story:

I found her to be very obliging and willing to participate in my game, which she played throughout our meet.

She was dressed as requested in a blouse and pencil skirt with no underwear.

After my inspection to see if she had complied I gave her oral, to say she enjoyed it is a gross understatement, as she was unable to control her body and legs until she reached an electrifying orgasm, which I enjoyed as my long hours of practice paid off in a spectacular writhing pulsating erotic climax for her.

She then demonstrated her oral skills and made use of her ample breasts to masturbate me with, after some more play we finished off with protected sex. Which ended a memorable meeting to both of our satisfaction.

This is my second visit with Monica and I fully intend to return to fine tune my oral skills with her.

Monica is a interesting lady easy to talk to and very pleasing to the eye.

A definite recommendation.
