### The Premises:

I meet Kate at her place in earl's court which is very discrete and comfy with nice shower.

### The Lady:

Kate is passionate and sexy her skin is so soft her ass it is just the best one ever also she got a beautiful real long hair.

### The Story:

When I saw Kate for first time I was sure that would go back to her then I called her today. The booking was easily made, with no hassle as Kate is at the top of her profession in this business.

Having previously met Kate before, a good while ago, I was just blown away again today, by her beauty once more, Kate is just so beautiful and a bit cheeky, which I like. She provides an amazing girlfriend experience and her oral technique is one of the best I've ever experienced.

Kate will in an instant put you at ease, she is a very friendly, warm person and just so full of fun and life and a pleasure to spend time with. We were chatting so much Linda had to remind me what I was there for lol.

Babe it was amazing spending time with you once more today, take care and I will see you again soon xx
