The Premises:

Well reported venue, I have nothing to add.

The Lady:

"Veryity" on the website?

Described to me as Stunning blonde, 5'7", size 10, 34DD. Look I didn't measure but seemed accurate...

Hair shorter than in photos but otherwise accurate.

When I met her, I was very pleased with my choice, pretty, blue eyed, blonde, slim but all the right curves ;-). Couldn't keep hands off her backside as we climbed the stairs.

The Story:

Into the room, enquired re my requirements, told her 30 min girlfriend, ushered towards the shower, when she returned I was just finishing off.

I was eager so straight in to kiss and run my hands over her. Got my hands and lips on her breasts, (seem natural to me, though I'm no expert). Onto the bed, I advised her at this point that on occasion Mr Happy can suffer stage fright, especially when the rubber hat makes an appearance, she assured me she was not losing this erection! Good OWO and hand action for a few minutes, then she suggested 69, now I'm not usually into this and it's been a while, and can't vouch for my skills at all, but went for it. Licking and kissing up, down and around her lips, I'm guessing she licked it as she opened up to me like a blossoming flower. After a while she suggested getting my cock up her, so out came the rubber hat, and as predicted, some stage fright, which Verity worked through nicely, before suggesting some doggy style.

Ok, now once Mr Happy got his head back in the game, things moved pretty quickly.

Verity, was kneeling on the edge of the bed with me stood behind her, pointing towards the mirror so I could see her breasts swinging as we moved together. I keep looking at her pictures on the website and remembering running my hands up and down her rack, pulling on her hips and slapping her ass while we fucked.....

Sap rising I announced I was done and wanted to come all over her, she obliged by turning and dropping to her knees as I pulled off the condom just in time to explade all over the place. She

commented on the mess and suggested it might have been better in her mouth!!!
So we cleaned up, chatted and dressed for the rest of the time, I appologised for the mess, (blue ball syndrome), she escorted me to the door and a kissed me goodbye sweetly.

Will I be back? You bet!
