Well reported venue.

The Lady:

Well reported lady, descriptions accurate if inadequate. Vacially very pretty, lovely eyes and mesmerising smile!!!

Breasts obviously enhanced, very firm, not normally my thing but sexy little nipples worked for me.

The Story:

Short notice booking made, arrived and greeted by receptionist, always very friendly and helpful. Stacey came and introduced herself and lead me up the stairs, asked if I wanted a shower, (I'd only just got out of one a half hour ago), asked what experience I was looking for and paid upfront. Made myself comfortable until Stacey returned. She took her bra and panties off and joined me on the bed, offering me a massage. I said, "It's not what I came for but hell lets start slowly!"

She alternated between firm pressure and gentle, sensual, almost tickling, really very nice... After what seemd like quite a long time, (probably only a couple of minutes I was just really enjoying it), she invited me to turn over and asked if I liked kissing? Yuhuh!!!

I ran my hands up and down her curves while we kissed sensually and occasionally passionately for quite a while, again I was really enjoying this. Moved to her breasts, squeezing, caressing, kissing and liking, playing with her nipples. RO offered and declined, again, not my thing.

Back to some more deep kissing, before I asked her to introduce my cock to her boobs. She obliged by smacking her tits with my dick and rubbing it over, around and between her firm cleavage, gradually leading to OWO. Alternating between her mouth, hand and breasts, soon became too much for me and I shot my lead all over her chest, she continued to stroke me as the jism kept on surging from my balls, cooing all the while about my spunk all over her tits, and rubbing it in! She mopped up what she could, we each took a shower and chatted as we dressed...

Really wanted to fuck and had every intentio of doing so, but, you know I don't regret not getting that far!

I had a truly great time with a very warm, friendly, and very sexy girl!
