The Premises:

Bury town centre, semi industrial area, pretty quiet, plenty of parking.

Laidback atmosphere, big, spacious rooms, nice big beds, great girls, dodgy showers.

The Lady:

Late 20s, Blue eyed, brunette lady with a lovely, genuine smile that lights up her eyes.

She's in fantastic shape, flat stomach with the best arse of any woman ive been with, it's a thing of wonder, full & round, soft & firm, smooth skinned....

The sight of her in the shower at the end..... Mmmmmm!

Lovely sensual, tactile woman as well, very comfortable to be around almost shy at times which I found really endearing.

The Story:

I'd seen Mckenzie in the La M reception a couple of times without knowing who she was, both times i'd already booked another girl & was waiting to go to the room, on one occasion she was sat on the sofa in a pink robe, heels & black stockings, when she caught me looking in her direction she deliberately crossed her legs to reveal some sexy thigh to me under the robe. Mmmmm.

It was definitely deliberate & it definitely caught my attention, I love to be teased, "who's she?" I thought before my booking came to get me, no photos on La M website so I couldn't identify her that way.

Next time at La M, again waiting to be taken to the room, Mckenzie comes into reception to introduce herself to another punter & gives me a lingering look , eye to eye, that's when I found out her name & that's when I thought, right next time i'll be booking her.

I'm sure i'm not alone or unique in being given the eye contact by her but it was still a turn on.

I was just getting out of the shower (this one had a door that actually closed!!) when the lady herself came back in as I was drying off she stripped down to just her black heels & black stockings.

Very nice!

As I said before she's in great shape, her stomach to booty ratio.... wow!

She's a real PAWG, could be a big booty model.

After a bit of introductory small talk we french kissed & caressed as she played with my cock.

Slow, sensual DFK.

Unsurprisingly I was soon hard.

She squatted down there & took me in her mouth, her BJ was like her kissing, sensual, nothing flashy just great rhythm.

Perfect.

A really enjoyable BJ.

No deep throat, about halfway.

She smiled & suggested we got onto the bed where the BJ continued, some ball licking that I loved & I was rock hard & eager to fuck her.

Rubber on, heels off.

Cowgirl.

She stood on her feet & squatted up & down on me before getting on her knees & riding me that way as we kissed.

Her pussy felt really good, nice & wet.

Time for me to do some work.

Mish which was great, I gave her lovely, shaved pussy a licking all over inbetween positions.

Finally some doggy where I could really appreciate her arse..... Beautiful!

I wanted to finish with CIM so I let her go to work on me as I lent back on the bed & she knelt on all fours.

It didn't take long, the orgasm was a strong one, she gave a long post pop sucking before getting up & giving me a shy smile & showing me she'd swallowed the lot.

I told her she was perfect!

A sensual, DFK kiss & a lovely hug from her finished the punt off perfectly.

And then there was the sight of her in the shower.....

Lovely, gorgeous woman, definitely recommend.

I plan on seeing her again soon.

Left with that fantastic feeling a great punt gives you.
