Petite size 6-8 small breasts great arse tongue pierced and something not visible via the website is ALOT of tattoos which i like. 1st time with an Eastern European aswell

The Story:

Turned up on a whim. Was introduced to both Sienna and Bianca and as I had never been with an Eastern European before Sienna was the obvious choice. Although Bianca was gorgeous too. Sienna shortly led me to the room with small chit chat asked what i would like. I just fancied a basic gfe today and she then asked for the money which is fair enough she aint seen me before. After the mandatory shower Sienna arrived looking gorgeous great figure. I opted for the massage and then slowly it turned into more of a casual passion kissing and rubbing. As I didnt fancy rough today it was slow and sensual. On with the rubber and oral. I found out during kissing the piercing and well everyone knows thats good for one thing. It was good however a bit of teeth wasnt completely satisfying. But enjoyed none the less. Having had my fingers all over her pussy i could feel how tight she was and soon as my dick was inside I knew i wasnt lasting long which im embarrased to say i didnt as i usually last till the very last minute. So after a bit of cowgirl i got on top and within minutes came.

Great girl and great sport i would recommend however did seem like it was mote her job than actually enjoying it herself my advice is just relax but I thank you i still had an amazing time and would definetely see again
