### The Premises:

Dingy and very dark top floor Council/ex Council Flat 5-10 mins walk from Lewisham town centre. An establishment less like a palace would be very hard to find. So, close to Lewisham station for mainline trains and DLR and also close to plenty of bus routes. Free parking up a steep hill from the flat.

### The Lady:

Attractive and slim Thai / Chinese girl in her early 20's. Moderate English.

### The Story:

After protracted negotiations over the extra fee required for OWO the session began. She got a surprisingly good grade for her Oral French, although I had to stop her several times to prevent me going over the edge. I then pumped away happily in my favourite position (see previous FR's) to a pleasant climax. I would recommend and return but for the dingy and dark flat.
