The Story:

Lauren soon came into the room after I arrived. We said hello, and she quickly laid on the bed while I got undressed.

I got on the bed with her. We started with some lovely kissing while I stroked and played with her body: always a good sign that I will have a good time with her.

She soon took off her bra and knickers. Then she gave me good oral while I gently touched and stroked her body.

Then I asked to lick her pussy: she agreed immediately. We had quite a long spell of this - I think she really enjoyed it with gentle moans.

Next she gave me more oral until I couldn't last any longer and had a lovely climax.

Afterwards while I was getting dressed she asked me where I live. I told her and she told me where she had come from on the day. I told her that I sometimes go to Milton Keynes.

Thank you very much Lauren: I had a lovely time with you and I hope to see you again soon - in London, or perhaps in Fenny Stratford at MKE.xx
