### The Premises:

Was at the Warren St branch which is very close to the station. The flat is comfortable and functional rather than luxurious. Also discreet.

### The Lady:

Romanian in her mid 20s, tall, blonde - I say blonde she had dyed her hair almost silver. Good looking girl but the most prominent feature is her body as she has a fulsome figure with a fantastic big, heavy pair of tits. Definitely one for the boob lover and met expectations.

### The Story:

HOD is my default option for when I'm in London and found myself at a loose end. I phoned up and asked which girls were working - the names didn't immediately ring a bell but was told there was 1 black girl, 2 brunettes and a blonde so made an appointment with the blonde as seem to be going through a blonde phase.

The service was immaculate. Some french kissing was followed by her giving me some wonderful teasing foreplay before she went down and delivered an excellent blow job. Memory is a little vague now but it put me in a blissful state. I could easily have finished that way but was feeling frisky and wanted to have sex so I stood up while Adrienne was lying on the bed sucking me harder, put on the condom, gave her pussy a cheeky lick and proceeded to do her in missionary which is how I finished.

Adrienne insisted on giving me a massage which took me to the full 30 mins. Throughout the session she was an absolute delight and has a pleasant personality and she did feel like a breath of fresh air. Overall, I recommend her whether you're an experienced punter or a newcomer as imagine she would definitely put nervous types at ease with her demeanour and would be an excellent introduction to the wonderful world of punting. I do hope I have the chance to see her again in the future.
