### The Premises:

Small but then again how much space do you need in order to lie on top of somebody for five minutes ?

### The Lady:

Accurate pictures. A delightfully fresh faced young lady from the Baltic with a body to match. Pleasantly free from the incipient sagging so often apparent in the 19-going-on-35 ladies that one encounters in this hobby. If she is over 20 it hasn't been for long.

### The Story:

A quiet polite young lady. Not one for moans of pleasure whether fake or otherwise but some spontaneous moistening was detectable at one point in the proceedings so my efforts were not entirely in vain. I shall probably return.
