The Lady:

BAIT AND SWITCH

This girl is 100% NOT the girl I met, the girl i met had a completely different figure, different shaped face, a big mole on her forehead just above the left eye and I suspect was not actually Japanese. Maybe 5FT 3 or 4 in height. Black hair. Nice body, small breasts, probably aged 25ish

The Story:

BAIT AND SWITCH

Although I was and am sure this is not the girl I met I decided to go with it and not say anything, being new to this I was shy and embarrassed. Advertised as submissive, something I even checked with the reception upon arrival she didnt even know what the word meant and still didnt get it when I explained it. Took me into a dank dark shower with no working light, she showered with me but I felt like I was being hosed down. After taking my money she informed me that if I wanted OWO I have to pay £50 extra or cut my visit short, Im a suborn git and refused to cut my visit short. She performed oral with a condom eagerly and it was good although the did not bring me climax this way, we fucked 3 times and although pleasurable I couldnt get it out of my head that this isnt who I booked. Conversation was non existent and to be honest I got quite bored of her company, 20 minutes of my visit to go and she offered me a shower which I declined and actually dressed and left early. I will 1 million percent avoid this agency in future.
