The Premises:

Modern apartment block, parking oppsite the court the apartments are in. Safe area. Good free parking.

Well decorated, spotless place. This is Adele's home and she is houseproud. Always a good thing in my book.

The Lady:

Quirky! Sexy! Short, curvey, with the biggest and heaviest breasts I have had the pleasure of holding. Head shaved at the back and sides, worn in a bun at the top. Hair was really soft to stroke. Black glasses, which never came off. She was wearing her "secretary" clothes, short black skirt and white blouse. Tattoo of a woman on her arm.

The Story:

Clear directions to her place, phoned when i got to her place, so she could open front door and them apartment door. She didnt want to disturb the neighbours. Fine by me

I gave her a book, and asked for the loo. She was v happy with the books. Adele lives crime and mystery fiction. Our of the loo sorted out paperwork, invited onto the bed and we both strippedoff. Much kissing, neck and dfk, sadly her ears were ticklish. she moved down to provide oral, and great to stroke her shaved head as she made my cock happy. Told her, i wanted to fuck and into missionary. Shelikes the man on top. Fine by me. So we fucked until I came, which of course was non stop for 59 munutes (ha ha).

Long chat after my climax. Adele is intelligent, friendly and great company. I aim to return.
