### The Premises:

Located in Central Milton Keynes down towards the rail station. Easy to find.

### The Lady:

Sarka is a very beautiful girl with shoulder length blonde hair. About size 12 - perfect for me.

Average height.

Eastern European, but speaks very good English.

### The Story:

This was an exceptionally lovely session!

Sarka came into the room and said "hello gorgeous". I undressed and we had a lovely kiss and cuddle - she wanted the same as me. Then she stripped off revealing her lovely body, and we got on to the bed.

Then she said that she wanted an orgasm, so I started to lick her pussy. She really loved this, saying it was so good with sounds of pleasure. I made her cum. Then immediately she wanted another orgasm! So I pleased her again until she was fully satisfied for a second time. She kept calling me gorgeous - it was very obvious that she had a very strong liking for me. She said " I feel like I have won the lottery with you".

She gave me lovely gentle oral without and rubbed her body against me. I was feeling really aroused with her, so I asked for sex. She put on the condom and got on top of me. I enjoyed really good cowgirl sex looking at her boobs with her facing me until I had my lovely orgasm.

Everything was lovely about the day. The date was the 13th - usually a lucky date for me with girls, and the time

of the appointment was 13-00 (1-00 p.m.), so a double 13 producing a great day.

The weather was also just right for me : this was my first visit to Milton Keynes for more than 3 months as I don't like the warm weather. Sarka said that she doesn't like it either.

I felt more than just compatible with Sarka - more like the perfect match and real lovers!

I hope she feels the same - I think she does. I am looking forward to seeing you again soon  
gorgeous!xxx
