The Premises:

Discreet flat in central MK, not far from train station. Plenty of parking. Room was simple and clean.

The Lady:

Absolutely gorgeous. Tall, curvy, big breasts and bum, gorgeous eyes and big lips. Seriously, an absolute stunner.

The Story:

Finished work early so had time for a quick visit - what an amazing half an hour, went by so quickly!

She came into room and started kissing me, before we got undressed and move to full on DFK. She's an excellent kisser, plenty of tongue to get me warmed up while I ran my hands along her back.

Lots of really good DFK before we got naked and I went down on her lovely shaven pussy for a short while. More DFK followed by her giving me fantastic OWO. While sucking me off, she occasionally looked up at me with a sexy, mischievous grin.

All warmed up, she put a condom on me, got on top and rode me which felt amazing and we snogged while she was riding me.

To finish, I asked her to bend over and she happily obliged. I fucked her from behind to finish. She has such a fantastic bum I couldn't resist.

Kissed a bit more then got dressed, sorted out the paperwork and gave me a kiss on my way out.

I can highly recommend Elise - had a wonderful half hour and will certainly see her again soon.
