The Premises:

Helens apartment is a warm spotlessly clean very comfortable place in a very easy to get to location in Milton Keynes.

Free parking exists very close to Helens place which in MK is a novelty in itself.

The premises are very discrete and nobody around has any idea what you are visiting for.

The Lady:

Helen is quite tall, she towers above me when she puts a pair of boots on for me. She must be 5:9 or thereabouts.

She is stunningly attractive and has an even more attractive personality. She has only just turned 30 this past few months. Helen has a wonderful figure, as well. She has looked after her body and is very fit.

Also just like the immaculate apartment Helen is quite fastidious about hygiene and quite rightly so. She has very high standards which is exactly what I want from a lady.

Helens photographs really do not tell the full story she really is a stunning lady, with a lovely glint in her eye.

She has a very friendly and fun manner to her, over the times I have been visiting her she's been very engaging in conversation on all topics.

The Story:

I have visited Helen about 9 or 10 times since I first visited her in about April this year and I just cannot get enough of her. I have tried so many different things with Helen. On this occasion like one of my earlier sessions I opted for nuru, the cost of the gel ups the price by a tenner but it's well worth it. I had never heard of nuru till Helen introduced me to it. As I had tried other things with Helen and she was superb on all of the previous encounters then how could she not be superb at nuru as well.

The session starts with some wonderful kissing I got in the shower and Helen followed me in. Lots of soapy fun was had before we got out and I lay on the bed. Helen poured the warm Nuru gel over my body then climbed on top of me and massaged me all over with her taut body. She is a skilled masseuse and she really knows what she is doing. I won't go into any more detail about the encounter, just suffice to say it was brilliant. I had a lovely time with Helen as I always do.

She provides a wonderful enthusiastic service, her only concern is my happiness.

Sh is always coming up with new things for us to try, I always leave Helens place gagging for my next session with her. I have visited many a working girl in my 25 years of punting and had great times with some lovely ladies but I have never met anyone as awesome as Helen. HIGHLY HiGHLy RECOMMENDED.
