The Story:

Annabel came to my room on time and I was very impressed with her looks.

After the paper work was over I offered her a drink and we chatted for a little while. After a while I undresses and helped Annabel with her top.

We DFK'd for a little while and then she took the remainder of her clothes off. She has a valuptuos body and it was great to see her naked. She did kiss well with a small amount of tongue. Very nice though.

She then proceeded to give me a very good OWO. After a while I moved us into a 69 which was well worth it. After enjoying this she got off me and gave me some more OWO then on with a condom. She placed the condom on me and then got on top and rode me for a short period then I asked what she liked best, so onto Doggy we went. She has a great ass. After a bit I asked her to lay on her back and proceeded mish for a bit.

Now I have a problem with Condoms so I laid down and finished my self off while she laid beside me DFK'ing and her licking my nipples.

Loved every minute.

When I came she went down and sucked the reaminder out of my cock.

We had a good cuddle after and before you knew it our time was over.

If I hadn't had to get up so early I would have extnded to an over night.

I did tell her I would book her and her friend for a duo two days away, but family commitments didn't allow me to.

Very sweet young lady.
