The Lady:

Kirsty is exactly what it says on her profile and the photos are spot on if not better in person.
Kirsty has the most amazing body, slim, toned. She has a few tattoos which are a real turn one, the one big one on her back is so sexy, massive turn on.
She has the most beautiful looking eyes and smile.
Really caring and friendly, makes you feel really comfortable.
Kirsty is quite funny without realising it and has a great sense of humour, we had a laugh which makes it all easy and a very enjoyable time. If your after someone who can give you a proper GFE experience, she is the one, hot, sexy, funny and right down to earth, exceptional lady.

The Story:

2nd Time i have seen Kirsty.

Kirsty came in and straight away she was very welcoming and chatty, her accent is sexy (instant turn on), i had seen her before but she didn't quite remember bless her. I was waiting in my underwear and t-shirt and she said, you obviously don't need these so straight away took them off, cock already hard ;-).

She sat on the bed and literally said "what do you want me to do" i said i remember your mouth being great so straight away cock in mouth and my god it is mind blowing. for one reason i don't seem to cum quickly during a blowjob even though it is my most favourite part of sex!

There was a mirror that i was watching her in while sucking on my cock, her skills are simply brilliant, really knows how to make you feel special, always makes eye contact and closing her eyes and makes it feel like she is really enjoying it. I always think to myself that some of these ladies might get some not so great looking or older men than myself, i could see why kirsty and other girls may not enjoy it as much but kirsty seemed to be genuinely enjoying herself and made it feel like

she was a gf and it was perfect.

I then returned the favour, MAN..... her pussy is fantastic, i have a few in my time and i can honestly say that hers is the best looking and best tasting one i have ever had. I went to town and was lovely every minute, Kirsty was genuinely loving it too, hearing her moans that were no way fake at all, i could have honestly stayed there for hours.

Bit more blowjob and on with the condom, Kirsty sat on top of me and rode me HARD, she likes it really deep and was smashing hard against my thighs and getting my cock deep inside her, kirsty would quite often come in for a kiss which again made it feel a lot more personal, it really was just like she was a girlfriend, i could then give her a kiss and it was all so natural.

after a few minutes of riding me, she gave me another blowjob and then remember that she was the 1st person to ever make my cum from a blowjob from the first time we met, it all clicked into place then. i went on top which didn't last too long as i'm 6'5 and kirsty is only petite so we changed to doggy. Kirsty's arse and slimline body are a view to behold while being deep inside her, i could stand there for hours and watch her slide back and fourth, all over her body is smooth and soft, could just lie there and touch her all day.

We had a knock on the half hour mark saying time was up, i had booked for 45 mins but seems there was a mix up, kirsty unfortunately then had to make it quick and made me cum in her mouth again, my legs were like jelly, she apologised for the mix up and gave me a kiss before she left.

I don't know what else i can say about Kirsty but i would happily spend my life savings on this girl, absolute pleasure to be with with and will be seeing her regularly for a very long time.
