The Story:

So we started with a massage in the front of me which got me tingleling a bit at times, she then started to suck me off for a while and playing with my ball sack then she asked if I wanted to go down on her..... Of course! After that we fucked cowgirl which is my favourite position (she asked what was my favourite) then we done some doggy and made her cum once so I licked her pussy then done some more doggy and then finished off cumming in her mouth. I will deffo be seeing Claire again!
