The Premises:

Discreet premises in Bletchley. The very clear directions given when booking make it easy to find. Plenty of free parking nearby. The bedroom was neat and tidy as you would expect.

The Lady:

The description of Missy on the website is accurate. Appearance-wise Missy is sporting a rock-chick type look with a few piercings and tattoos - this isn't a bad thing as the look really suits her.

The Story:

I was looking for a new experience, so with the help of the friendly receptionist I decided to arrange a two-girl meeting with Alice and Missy (hence the £240 amount paid!). I was not left disappointed. Both girls were incredibly friendly, easy to talk to, and they made sure that I had a great time in their company. I asked the girls to adopt a dominant role during the session, which they were happy to do - Missy explained at the start of the session that she is usually submissive, but that she is just beginning to get into the dominant side of things, so it worked out really well for me. I'm not going to list everything that happened during the session, but my highlight was probably receiving a prostate massage from Alice whilst Missy sat on my face giving me a blowjob! Missy was great throughout the session and made sure that I was always kept busy. If you're thinking of going to see Missy, do it. Trust me you will not be disappointed.
