The Premises:

Basement flat near victoria. Rich area very safe . Down a flight of steps ,no disabled access if your thinking of going.

The Lady:

Apple a thai girl reported on many times here. Pretty little. Thai woman ,slight tummy not as big as mine though. My personal opinion is that she is not as sexy as her hod photos(marginly) but still worth a punt.

The Story:

I had been looking for a london punt and doing lots of trawling thru web sites looking to spend £150 or less. Adah at Babylon girls was fav but then came accross Apple after reading her reviews. So i pre booked a week in advance as her appointments go fast.Found the flat easy due to good comms from hod. Waited around for appointment time and noticed a Pakistani /Indian fellow hanging around across the road. 11-55 decided to cross the road towards the flat when he got infront of me and beat me to the steps,i wandered past waited for him to enter then doubled back and down the steps knocked once and was let in By the milf maid. Guided Straight into the First room and waited for Apple to enter. In she came gave me kiss and i went for a shower. The next hour was session of OWO ,sex, anything that i wanted and my first ever anal insertion on a girl. Im quite a big boy so couldn't get it all in bit finished in mish twice inbetween a gentle massage.This girl is up for most things and told me she likes it rough and hard, at my age i like it slow and gentle which she easily coped with. A really lovely girl easy going well worth a try.
