The Lady:

Stunning. Absolutely fucking stunning. At a guess she is late 20s/early 30s. Perfect body. Long blonde hair. A perfect 10.

The Story:

It was my first time with a domme and I was really nervous. I described what I wanted (tie & tease, humiliation, a bit of CBT, light spanking) and she went out to change. On her return I was immediately punished for my careless appearance (I had neglected to be erect before she arrived) and then tied, blindfold, to the cross. Amy then teased me for what seemed like hours, sucking my cock almost to climax, before tying up my balls and parading me in front of the maid. They both laughed at my pathetic tiny cock and took turns kicking me in the balls. From there Amy tied me to the bed, then nursed my cock back to health and finished me off with an amazing blow job.
