The Premises:

La Maison, Bury town centre, relaxed, friendly atmosphere.
Great girls.

The Lady:

Website description & photos are accurate.

Very gorgeous, good looking, young, mixed race girl, great body, large natural boobs, flat stomach, & the most amazing full, round booty.

Gives a very sensual, sexy, intimate service.

Relaxed, friendly & easy to be around.

The Story:

Kennedy came to collect me from reception, greeting me with a nice smile that immediately made me feel good about the punt, she was wearing Black lingerie & stockings that looked fantastic on her.

The short trip down the hallway to her room was a pleasure in itself as I admired her gorgeous arse as she walked in front of me (mesmeric!).

Had a quick freshen up (best shower i've been in in La M) whilst the lady herself stayed in the room (which I liked) & chose some music from her phone.

Had a little chat whilst I dried off, she was natural & relaxed & easy to be around.

She asked if i'd like her to strip off or keep the lingerie on, that was a no brainer, she looked super sexy as she was so the stockings & lingerie stayed on.

Clean & dry I sat on the edge of the bed & she walked over to me, we put our arms around each other & I got to run my hands over her back & booty before she slipped her top down & I kissed & sucked her very nice E cup naturals.

She was very responsive to having her boobs sucked, lots of sexy breathy moans & encouragement.

My hands on her big arse, my mouth on her big tits, her arms around me..... Heaven!!

Gave her backside a couple of light slaps then we fell into some really good kissing, sensual DFK, she has beautiful, full, soft lips.

The kissing was fantastic, a real highlight.

It all felt really natural.

She got onto the bed & shook her phat bottom for me.....Oh man! Whatta sight!

I climbed on next to her for some more DFK & boob sucking before she unclipped her one piece & I went down on her.

Again she was into it & responsive right away, guiding me, lots more breathy low moans, her eyes closed fondling her breasts, her thighs tightened around me after a while.....

She was very engaged & participating in the punt rather than just doing her job or worse, going thru the motions.

Obviously her reaction & enthusiasm turned me on even more.

I came back up & she showed her appreciation with another french kiss before she took my cock in her mouth as I knelt before her, she rubbed her clit at the same time & I joined in with some fingerplay, stimulating the front wall of her vagina, she was very wet.

I pulled my finger out & sucked off her sweet pussy juice.

She liked that.

I cut the blowjob short (there's a sentence I never thought i'd write!) because I was dying to fuck her.

Rubber on.

Nice energetic shag in Mish, lots of kissing her lips & neck, she asked me to fuck her hard, so of course I complied & felt her wetness on my groin.

Bit more kissing before she sat on my face then twerked her booty for my pleasure.

Finished in Doggy (of course), spanking it, grabbing the plentiful flesh & watching it jiggle & quake as I fucked her, great view in the mirror, before the inevitable happened & I came in the rubber.

I had that fantastic feeling you get after great sex.

I dressed & Kennedy lay on the bed looking very gorgeous, we had a nice chat.

She's really easy to talk to, open, down to earth, obviously intelligent & driven.

She's no clock watcher either we were a few minutes over time & the knock came on the door she was relaxed & cool about it, no rush even then.

I gave her a kiss on the cheek goodbye & she gave me a long, lingering hug that made me feel great as I left her to shower

A really great time with a great girl.

I definitely plan on returning to see her.

Highly recommended.
