The Lady:

Imogen is an attractive girl, better than her pics, i thought. Her hair has blonde streaks in now, which looks better. She's 23, smallish but nice tits, smooth skin and a nice body.

The Story:

The day started badly, as i was due to see a girl at Annabella's and she had cancelled. Therefore I had to find an alternative pretty quickly. I went to MK Escorts and saw the 3 girls available there. When Imogen popped in, I was instantly attracted, she has a sweet, almost innocent face. I had to ask what services she provided, as obviously i had done no research on her. She said she didn't do anal or CIM, but pretty much everything else. That was fine, so settled down to a very enjoyable half hour. She's very friendly and obliging, and i felt very relaxed with her. She kisses well, with tongue, seems to enjoy RO, gave a nice OWO and as the time was running out, gave her a good pounding in Missionary. She was very vocal and was turning me on. I fucked her hard, but couldn't hold on any longer and came my load inside her. I asked her if she came and she said, 'no, but i nearly did', so clearly the noises of passion were not faked...nice. Would i visit her again....probably not, but that's no reflection on Imogen, just that i like to visit different girls. She's keen to please and I really enjoyed my session with her. Also when removing the 'bag' I noticed i had managed a nice lot, more than normal, which proves the effect she had on me. Thanks Imogen, for some really nice sex. Take care. xx
