The Premises:

Very discreet, clean, tidy, quiet. Management clearly taking time and attention to make sure everything is right - thank you.

The Lady:

Poppy is incredibly sexy and beautiful. She has a very pretty face, fine features, liquid light brown eyes and a short blond bob that matches her face very well. She is just a little over 5ft and petite but with wonderful curves. Like I say, incredibly sexy....

The Story:

Poppy was charming and relaxed with an easy command of English. After a shower she gently put me at ease and started with back massage moving on to wonderfully stimulating more intimate message, teasing with light touch and sometime using only the tips of her nails. After turning over things became steadily more intimate towards an amazing finish. If you choose to see Poppy you will certainly not be disappointed.
