The Premises:

The Lady:

Elegant, classy, better than her photos, naturally gorgeous and easy going. Duo-ed with Alexandra Rayne. Louisa is that quiet fox in sheep's clothing....but what a perfect pair these two make. She's got a little Dita Von Teese about her which is a very good thing.

The Story:

Lets just say that over the course of my time with various providers in London, this duo topped them all. They get how to enjoy each other's company and perform to each other's strengths. Louisa too the sub role and was easily dominated much to her pleasure. She's the real independent deal and has a killer natural body with a fantastic skill set. I will certainly return to London and book these two again, hopefully more than once. And I should mention the perfect ass to slap and she enjoyed a great ball gag in her mouth while she played with her plugged ass. That's all you get here, go and book yourself, treat her like a queen and you'll be rewarded.
