The Lady:

Beautiful young girl with perfect body. She is beautiful yet down to earth, its hard to not fall in love with her. She has witty personality and drop dead gorgeous face and body. I cant wait to see her again

The Story:

Kirsty walked in with a smile, this was my first time so I was still dressed in my undies.

As soon as she came in, she took my underwear off and started giving me one of the best blowjobs I have had.

After a bit she asked me if I wanted her to carry on and she said she could carry on forever lol. At that time I suggested we go 69 and she was happy to straddle my face and just carry on sucking me off. I was really enjoying it and after a bit I could feel the little constrictions in her pussy. So it was clear that she was actually enjoying the time we were having. I could go no but time was running a bit short so we tried missionary position. I loved kissing her all over her body and her sweet lips. We kept fucking awhile but I wanted to try doggie. She said ok so we turned around and started fucking.

Kirsty has quite a tight cunt and I was enjoying fucking it good when she asked me if i could hurry a bit.. time was running short so I asked Kirsty in my husky voice if it was ok for me to fuck her HARD.. she smiled and said yes ok.

I finished afterwords but she did not pull it out, she stayed in her position for me to completely empty my load and take it out myself. Then she turned around and gave me a nice kiss.

MAN! I was in heaven!! This was one of those punts when you just dont care about the world.. you just feel fulfilled.

Thanks for reading, she is worth 10 times the money and some more.
