The Premises:

Very clean premises with free parking straight outside. Very polite and friendly Host with a nice clean shower. Offered drink when entering. Been the first appointment she was 5 minutes late to the room, so did not get a full hour - but she made up for it.

The Lady:

Georgia only had one photo at time of visit so it was a bit of a gamble to make an appointment but thought it was worth the risk from her previous one review. Extremely pretty face with body to match and had nice friendly chat throughout the massage.

The Story:

Started on my front with Georgia started a gentle massage (which I asked for) on my back and shoulders. She then worked down over my bum and down to my legs. While doing my legs she would brush past the top of my thighs in a teasing action which was heaven. After finishing my legs she concentrated more in specific areas which I helped by raising my hips, her touch was magic and was hard to keep control. After what seemed like ages she asked me to turn over and got to the good bit. I won't go into detail but it was great, one of the best I've had at Ego massage and I've been a lot. definitely worth a visit.
