The Premises:

Basement apartment on the southern edge of city centre. Plenty of parking spaces nearby. The room was large with a double bed, full length mirror and sofa.

The Lady:

Vivacious, curvy blonde. Plenty of candid photos on her Twitter to whet the appetite.

The Story:

I'd last punted with Elise a few years back but decided to pay her another visit when I noticed that she had added CIM to her extensive list of services. As I remember Elise's OWO technique being top notch but having to pull out before I climaxed, to be finished off by hand, was always slightly frustrating.

She welcomed me with DFK before undressing me and asking whether I wanted OWO in front of the mirror. I suggested Elise lie on the bed, so that I could finger her, and she proceeded to give me a lovely sloppy blowjob with plenty of deep-throating.

I double checked that CIM was okay and she said yes, before sucking me dry. Elise showed me the mouthful then deposited it into a tissue.

Finished off the punt having a nice natter about we'd both been up to since we last met, whilst Elise giving me a thorough top-to-toe massage.

A highly enjoyable, raunchy GFE.
