The Premises:

Clean, well run establishment, very well laid out with good facilities. Apart from the fact that you wait in a room with other punters, not so good if you want to be discreet.

The Lady:

Georgia was the only reason I visited this establishment, saw her on the website, and she was even better than I could have imagined. Absolutely stunning, and a figure to make any woman jealous , beautiful face, and a real personality. Real head turner, an arse that is so toned all I can say is wow.

The Story:

First time visiting a massage parlour, and Georgia made me feel relaxed, had the gf experience, just amazing. She even loved to cuddle which made it feel real. Looking at the other girls at Victoria house, they all look good, but Georgia is the one for me.
