### The Premises:

GFE Bury, is a great venue with modern decor, very clean and comfortable, pleasant rooms. Parking can be a little tricky, but lots of side streets. Leave enough time if you are driving. Clean well maintained showers.

### The Lady:

She is simple stunning, beautiful face, tight and toned slim body with nice natural boobs/ She was wearing an underwear two piece, which didn't stay on for long.

### The Story:

I paid a visit to GFE Bury today. I haven't visited in ages but knew that one of my favourite girls from SS, Abbie had started working there. Well she has certainly lost none of her sparkle and if anything looked even more amazing today. She is simple stunning, beautiful face and perfect body with nice natural boobs. An absolute joy to spend time with this woman, who simply makes me smile right from the outset.

We have met on a number of occasions before, and after a little catching up on the latest gossip, we were into the service and there is no stopping Abs, she is a full on girl. Fantastic. All of the usual favourite things and Abs is a real star in the way that she can make you think you are the only bloke in the world who has spent some intimate time with her. Really incredibly good at making the service so much pleasure.

Top Notch oral skills, nothing was left unattended, particularly when she is kneeling before you, such a sexy sight. Mish was loads of fun and you know that kissing is simply no problem, she does it all the time whilst making those lovely sounds of her appreciation of your effort. Loads of lube, because she is tight but never complains about size issues, just gets on with the job. Doggy, girl on top, reverse CG, She finishes me off over those lovely boobs. All done with a load of laughs and banter going on throughout the service. She is simply one fun lady to spend time with.

Both in and out of the shower, both nice and clean. Seasons greetings and all that and then it was away. So good to meet up with this star lady once again, made my day. If you like slender beautiful women who look fantastic, Abs is your girl.
