The Premises:

One of the usual locations, down towards the rail station in a quiet area.

The Lady:

Gemma: average height with blonde hair. Slim with a pretty face, medium sized boobs and quite thin legs.

She is from Eastern Europe, but speaks very good English.

The Story:

After a short wait, Gemma knocked on the door and then came into the room. She held out her hand for a hand shake as we said hello.

She was the "Advent Girl" of the day, so I was entitled to a great discount of £20 off the usual price. Thank you!

This was the first time that I have seen Gemma - I chose her partly because of the discount, but also because I felt that I would have a good time with her. This was certainly correct. I am quite a regular client at Annabella's, but this was the first time that I had seen an Advent Girl.

She quickly stripped naked and stood by the bed. I went over to her: she made a slight gesture for me to get on the bed, but I started with some lovely standing kissing and cuddling. This is always a good sign that I will have a good time with the girl, and helps me to get aroused.

Then on to the bed and she gave me very good oral without (after asking which I preferred).

Then I asked to have oral on her, she immediately agreed and got herself into position on the bed. I licked her pussy and she made quiet moans. I think I made her cum after a while.

Then some more kissing before putting on the condom. She got on top for " cowgirl" - lovely sex with her facing me, while I looked at her boobs and sexy body, and she soon made me cum.

This was a really lovely time with a lovely girl! She never said no to anything, or wanted to stop until I did. There was no rushing.

This time it was a bit difficult for me to judge how much she liked me, but I had a great time with her, so hopefully she enjoyed seeing me. I certainly enjoyed seeing her! I am quite a quiet person, so she may not have realized how much I was enjoying her.

Everything was at a nice gentle pace - just the way I like it. The kissing was really lovely : passionate on the lips and lasted for quite a while. Then another quick kiss before saying goodbye.

I told her that I hope to see her again.

Happy Christmas Gemma, and all at Annabella's Escorts!
