### The Premises:

A pleasant flat in the centre of town

### The Lady:

Average height; nice figure, good but smallish tits. her hair was platted and twisted on top of her head, which kept it out of the way later!

### The Story:

I was a little uncertain about this girl when she entered the room, but she was 'forward' and I liked that. Things started slowly with a little OWO and then I guess she realised I like watching her in action. Covered Doggy followed and then we swapped to cow girl and that's when things really took off! She was feisty; pleasantly aggressive and keen to dominate. We swapped position regularly, each trying to fuck the other. Eventually I couldn't hold out any longer and I opted for CIM - she kept sucking long after I had shot my lot. fantastic girl - the best yet. we're going to get to know each other!
