### The Story:

After a long journey meeting with Melissa was the perfect antidote and pick me up. From the moment she entered the room until I left I never stopped smiling to myself. A very relaxing massage and comfortable conversation had me completely chilled. This lady is very classy and perfect company and immaculately groomed. You simply cannot take your eyes off her and admire a stunning lady. No need to go into details other than to say treat this lady with respect and enjoy her company - an absolute gem who I will certainly see again !
