### The Premises:

it's a new place, totally refurbished, it's the dogs bollocks, it's ashamed the The receptionist wasn't up to much, she's unwelcoming with out a smile, it's not what you want for our nice welcome for a receptionist, in 25 years of punting she Hass to be the worst receptionist I have ever met impolite and rude. When I got there after a long drive I asked her for a coffee, she said not until you book in, when my time is nearly up she repeatedly knocked on the door, and I came out she said next time I'll charger and extra quarter of an hour In front of a full lounge of clients. Not receptionist quality never has and never will, taxi for one.

### The Lady:

Leah is undoubtably the most beautiful girl you will ever meet, bootylicious that's all I can say.

### The Story:

Sorry guys I'm not saying anything I want her for my self.
