The Premises:

The new place in Pimlico. Very close to the tube yet with a discreetly positioned entrance.

The Lady:

Bottle strawberry blonde, 20 something, average height, medium - large enhanced breasts, slim build, attractive, most probably from eastern Europe but with features that could be from anywhere in the Mediterranean or Black Sea basins.

The Story:

Chatty engaging personality which imho is as important an ingredient to a good punt as the physical side. Plenty of fk and owo which kept me well fired up throughout our time together. Bagged up for intercourse and finished powerfully in missionary while f'kissing. Erection took 10 minutes to subside afterwards which was indicative of how much my hormones must have been racing.
