The Story:

I had such a great time with Gabriela in October I returned last week for more. She is a wonderful young Brazilian woman with a nice personality and people skills. We spend another enjoyable hour in each other's company. She does a great selection of favourites and gives 100 percent to please. She now knows what I like and really turns me on. She liked my body and her body is beautiful, her skin is also amazingly soft to the touch which I forgot about from first meeting. Gabriela is an amazing kisser her oral it is just perfection she keeps an eye contact she also got a bag of tricks that she experiment her new toys on me I did things that I never thought to do before it was an amazing.
