The Story:

I came in early and had a shower, Danielle was very friendly and I undressed her and gave her a massage and she said she wanted me to go in top coz I was too big, but she slowly got into it and started to enjoy it then I went on top and finished with her in doggy she later told me that she orgasmed which made me happy, we sat and talked and as time was running out she gave me a handjob. I had a really great time thanks Danielle
