### The Premises:

I've been a visitor for over a year now and find GFE very friendly and welcoming and not quite as regimented as a previous (now closed down) establishment.

Spotless as usual.

The rooms are quite varied in size. I personally prefer rooms 1 and 2 as they are slightly larger and have small sittee's rather than just a bed. Most rooms seem to have a large mirror which are good for watching the "action" if you wish.

### The Lady:

Stunning! Quite simply stunning!

Lilly is a very natural beauty. Electric blond hair, flawless lightly tanned skin, a slim but wonderfully curvy

body with full natural boobs that could easily see her grace the pages of any gentlemen's top shelf magazine.

She could quite easily have a career as a top pornstar or glamour model.

I've been trying to think of someone I can compare her to but can only perhaps think of Adele Stephens, the former page 3 girl.

Lilly is simply beautiful in the eyes of this writer!

### The Story:

I've met Lilly 3 times now as she was a regular at a previous establishment and I would have seen her many, many more times but her shift patterns never coincided with my work patterns.

When I saw she had now moved to GFE I quickly booked as soon as I could.

I'm a sucker for girls dressing up and even though Lilly looked gorgeous in her black 2 piece she looked even more stunning

in the naughty Ann Summers cocktail dress I had brought with me. Complete with black fishnet hold ups she looked amazing!

How a girl who looks so natural and, in some ways, so innocent too, can suddenly become a really naughty, naughty girl is a thing to behold.

After a few minutes exploring her in the stunning outfit I was soon indulging myself with my tongue pleasuring her delightful shaved and smooth pussy before she gave me a wonderful blow job whilst I has laid prone on the small sittee.

The Ann Summers dress soon came off and I had chance to caress her fabulous boobs.

Completely natural they are wonderful.

We had sex in a few positions including her sitting astride me whilst we were on the sittee and then she had a rather vocal orgasm as I took her standing from behind.

With such a wonderful pair of boobs and with much vocal encouragement she wanted my load on her chest and I was only too happy to oblige!

Lilly giggled and said "that was fun...a nice start to the day"!

We had a lovely chat as we tidied up and as I left after a recovery coffee in reception I had an actual tinge of envy as Lilly was taking her 2nd client through to the room "lucky fella" I thought!

I've recently been a real fan of Louise at this establishment and now I have a bit of a problem as I'm really, REALLY spoilt for choice...or maybe I should just start saving and have a possibly legendary threesome??? We'll see.
