### The Lady:

simply beautiful and ever so firm young girl aged 20 with excellent English. Sexy blonde hair and shapely figure with curves in all the right places. A simply divine, peachy bottom that was a joy to behold. Much more exquisite in the flesh, so to speak. Great conversation, relaxed, friendly and the perfect GFE for us older men.

### The Story:

simply beautiful and ever so accommodating takes pleasure in your pleasure with genuine willingness to please. Started by my giving her a gentle massage that afforded me the wonderful opportunity to examine her wondrous bottom in loving detail. Next to her her showcasing her delicate pussy for me with her legs spread wide, I love it so when young girls play with their pussy for my delictation and admiration. Her labia were divine and tasted musky and sweet. Then onto to sensuous bj with me caressing her hair. Can't beat that view gents when a young girl takes you in her sweet mouth for the first time. Onto some deep thrusting missionary, followed by cowgirl to a stupendous climax. Brilliant chat afterwards that was relaxed and very good natured. Ever so natural and, yet again, Anabellas never fails to deliver.
