The Premises:

A nice, clean basement flat. Room a little too warm but the fan sorted that out. Ensuite bathroom.

The Lady:

Ashley is a black lady mid 20's, 5ft 7. Size 10 , D cup boobs she's got a good body not exactly like her photos but close enough.

Sasha is a white English girl , size 10, 5ft 7, 24 years old. 34DD boobs. Both girls were decked out in black lingere and hold ups.

The Story:

Both girl's were welcoming and pleasant. It was 70 each for 30 mins. Sasha asked if I was going to get undressed so I asked her to do the honours so they obliged stripping me whilst Ashley asked if I wanted owo which I declined. She rolled a johnnie onto me, kneeling by the bed as Sasha kissed and stroked me. I reached back to caress her legs and pussy. Placing one of Sasha's hands on Ashley's head I enjoyed the oral which Sasha joined in as well.

Next the girls started making out with each other, licking at their nipples as well. Straddling Sasha I fucked her face as Ashley ate her out.

It was too much an pulling off the condom I came over Sasha's titties.

I was able to get an extension with Sasha for another 30 mins (£60).

After a relaxing bath she was able to get me hard again. So rubbering up once more I mounted her (missionary) most pleasingly she wrapped her legs around me moaning until I was able to reach a second climax.

A most enjoyable afternoon, not cheap at 210 but well worth it.
